

METZPAY

We are pleased to announce the arrival of MetzPay to the Perry Square Café. This new method of payment will not only allow guest the ability to load funds on a convenient key tag card but will also be part of our new loyalty program. Guest can sign up for this feature at the cash registers. Funds can be added to the card at any register with cash, credit or debit cards.

The loyalty program will offer guest \$5.00 towards future purchases for every \$100 spent in the Café.

Please note that you do not need to sign up for MetzPay to use the loyalty program but you will need to sign up for the card to track your purchase.

Please feel free to stop by the Café with any questions or call the Perry Square Café Office at ext. 2698.

Thank you
